

2012 FAASTeam Safety Stand Down

This year's FAASTeam Safety Stand Down focuses on Loss of Control. Loss of Control In-Flight was the dominant cause of fatal general aviation accidents over the last decade. Loss of Control refers to accidents resulting from situations in which the pilot should have either maintained or regained control of the aircraft, but did not. Join the thousands of other pilots across the country in attending this exciting briefing!

Directions: I 69 exit 126 North on Co Rd 11, South on Co Rd 427 to Co Rd 60 South on Co Rd 29 West o Co Rd 62 Hoosier Air Museum is on the left.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
